

WATER

COMBINATION TESTS

1	Household or Livestock Suitability: pH, Electrical Conductivity, Total Dissolved Solids, Carbonate, Bicarbonate, Hardness, Calcium, Magnesium, Potassium, Sodium, Chloride, Nitrate, Sulfur by ICP, Iron, Manganese	\$ 33.00
2	Household Suitability: Same as Test 1 plus Total Coliform and E. coli Bacteria (Purity)	\$ 52.50
3	Irrigation Suitability: pH, Electrical Conductivity, Total Dissolved Solids, Carbonate, Bicarbonate, Hardness, Calcium, Magnesium, Potassium, Sodium, Nitrate, Phosphorus, Sulfur by ICP, Chloride, Iron, Manganese, Zinc, Copper, Boron, Lime Content, Sodium Adsorption Ratio (SAR), Adjusted SAR, Sodium Hazard, Salinity Hazard	\$ 45.75
4	Nitrate plus Total Coliform and E. coli Bacteria (Purity)	\$ 31.25
5	Total Coliform and E. coli Bacteria (Purity)	\$ 19.50
	Samples received on Friday or Saturday - read only per sample	\$ 6.00
	Samples received on Saturday or Sunday - set-up per sample	\$ 12.00
	Municipalities - please see the Coliform Bacteria section.	
6	Nitrate and Sulfur by ICP	\$ 18.40
7	Nitrate	\$ 11.75

INDIVIDUAL TESTS

Alkalinity: Bicarbonate and Carbonate	\$ 10.00
Alkalinity: Total	\$ 10.00
Boron	\$ 7.25
Calcium	\$ 7.25
Chloride	\$ 8.75
Chlorine, residual	\$ 16.50
Copper	\$ 7.25
Electrical Conductivity (Total Dissolved Solids)	\$ 7.25
Fluoride	\$ 14.00
Hardness (Calcium and Magnesium)	\$ 14.50
Iron	\$ 7.25
Iron Bacteria	\$ 28.00
Lead	\$ 29.00
Magnesium	\$ 7.25
Manganese	\$ 7.25
Nitrogen: Ammonium-N	\$ 13.50
Ammonium-N (Compliance Testing - SM 4500 NH3 B & G)	\$ 36.25
Nitrogen: Nitrate-N + Nitrite-N	\$ 13.50
Nitrogen: Nitrite-N	\$ 18.90
Nitrogen: Total Kjeldahl Nitrogen (TKN)	\$ 15.00
Nitrogen: Total Kjeldahl Nitrogen (TKN by Chromium method)	\$ 27.75
Oxygen, Dissolved	\$ 18.25
pH	\$ 7.25
Phosphorus: Ortho	\$ 8.50
Phosphorus: Total	\$ 16.75
Potassium	\$ 7.25
Sodium	\$ 7.25
Sulfide	\$ 35.00
Sulfur - ICP	\$ 7.25
Sulfur - Total	\$ 14.75
Temperature at Sampling	\$ 7.25
Total Dissolved Solids (by evaporation)	\$ 16.00
Turbidity	\$ 16.50

Please obtain sterile bottles and sampling instructions for water samples from the laboratory.
